CARTE POSTALE.

POSTKARTE.

By Appointment.

Elands. Of these antelopes both sexes are horned and they are heavily built animals. They live part of the year in forest, or bush-covered country, or amongst rugged hills, but in the middle of the dry season they leave their retreats and wander on to the plains in search of young grass. They are almost peculiar to South African countries.

(FOR ADDRESS ONLY.)

Processed in Bavaria.
